## Membership Authorization

We're Stronger Together. ONEU members are united to improve our jobs and our communities. Yes, I want to join my fellow employees and become a ONEU member! I request and voluntarily accept membership in ONEU. This means I will receive the benefits and abide by the obligations of membership set forth in ONEU's bylaws.
My membership will be continuous, unless I resign by providing notice to ONEU via U.S. mail. I know that union membership is voluntary and not a condition of employment, and that I can decline to join without reprisal.

## Dues Deduction/Checkoff Authorization

I request and voluntarily authorize my employer to deduct from my earnings and to pay to ONEU an amount equal to ONEU's regular dues, and other fees or assessments uniformly applicable to ONEU members or agency fees. This dues deduction authorization shall remain in effect unless I revoke it by providing notice to ONEU via U.S. mail within 15 days before or after (1) the annual anniversary date of this agreement or (2) the termination of the applicable collective bargaining agreement between my employer and union ("my window periods"). This authorization will renew automatically from year to year even if I have resigned my Union membership, unless I revoke it during one of my window periods. This authorization is voluntary. I understand that all members benefit from everyone's commitments because they help build a strong union that is able to plan for the future.
